Boston Cardiac Foundation

"Helping One Heart at a Time"

The BCF team has completed missions to Haiti and India in 2025. During these missions, we implanted 25 single and dual chamber pacemakers for patients in desperate need. We trained the local physicians and staff for follow up care. BCF greatly appreciates the donations from Medtronic and Abbott during our mission. Our team included Dr. Leon Ptaszek, Dr. Salil Midha, Dr. Guy Rosen, Dr. Carl Turissini, Dr. Marvah Hill Pierre-Louis, Brenda Marie Houde, Bailey Serum, Gina Bevilacqua, Madison Buttner, and Junjira Pavao.

The Boston Cardiac Foundation is a non-profit organization that brings medical technologies and services to those in need around the world. The BCF team comprises of physicians, nurses, and technologists who perform cardiac procedures such as pacemaker implants with follow-up, coronary stenting, and angioplasty free of charge for patients who cannot afford these lifesaving treatments.

"The Boston Cardiac Foundation strives to fulfill our motto of 'Helping One Heart at a Time,'" shared Dr. Salil Midha. "It has been an honor to help those in need all over the world for 34 years. I am thankful our team is able to make a difference for so many patients."

Boston Cardiac Foundation and Dr. Midha received special recognition as healthcare pioneers at the New England Choice Awards in 2023.
